MEMORANDUM FOR: Colonel Stanley J. Grogan
Assistant to the Director

SUBJECT : Regulation [] "Limitations on
Outside Activities"

25X1

1. I concur in the substance of your proposed Notice on the release of Agency information to public information media, or representatives thereof.

2. Agency Notices are designed to be used more in the nature of announcements of items, events and personnel changes, rather than as a means of establishing Agency policy.

3. Inasmuch as your proposal does establish continuing Agency policy, I feel it is appropriate that it should be expressed in the form of a Regulation rather than in the form of a Notice. I have therefore had a draft of a proposed change to the current Regulation [] prepared and am attaching it for your consideration. I believe that it contains all of the elements which you wish to have included.

25X1

4. If this meets with your approval, I can arrange for early publication.

Signed

L. K. WHITE
